## Castle Peak under crossing closed for construction work

**Soda Springs** – The California Department of Transportation (Caltrans) is alerting motorists that the Castle Peak under crossing of Interstate 80 (I-80) will be closed on Tuesday, July 7 from 6 a.m. to 6 p.m. A contractor is scheduled to do cement form work.

This closure is part of the \$65 million Donner II project on I-80 between Soda Spring and the Donner Summit. This project is designed to remove and replace the worn roadway pavement, replace the existing median barrier and guardrail, and improve drainage of stormwater. Completion of the project is scheduled for the Fall of 2009.

Caltrans urges motorists to use caution in this area and to "Slow for the Cone Zone".
